

29 January – 02 February, 2012

Gas Turbines Training Workshop

Duration: 5 days

Venue: *Holiday Villa Hotel, Doha, Qatar*

Speaker: Eng. Osama Kandil

Fees: USD 3500 \$ / individual

Special discount for Groups:

✓ 4 attendees or more: **10 % discount**

Developed & Conducted by:

Millennium Solutions Training Center (MSTC)

GAS TURBINES DESIGN, SELECTION, OPERATION, TROUBLESHOOTING & MAINTENANCE

Description:

The course explains how a Turbine works and the different types in common use. How to control and operate Turbines efficiently and key troubleshooting techniques and information will also be explained.

The course is structured to address the needs of engineers and operations personnel who have a requirement to understand the principles of the gas turbine and how industrial units are configured to perform prime driver duties.

Designed for:

Chemical, instrumentation, process, mechanical, maintenance and electrical engineers. Also process plant operation, maintenance and supervisory staff together with anyone who requires an understanding of the operation and control of industrial gas turbines.

Course duration:

5 days

Training Methodology:

1. Expert tutor input using power points.
2. Delegate discussion and involvement.
3. Case studies, Best practice examples.
4. Supportive comprehensive course manual enabling practical application and reinforcement.
5. Workshops Topics and Handouts, Power Point Presentation for each session.
6. The course will include videos and other tools to elaborate on the unit performance and to enhance the capabilities of the attendees in understanding the turbine behavior, operation and maintenance.

Course Certificate:

MSTC certificate will be issued to all attendees completing minimum of 80% of the total tuition hours of the course.

INTERNATIONAL SPEAKERS:

Delivering information through knowledge & experience obtained by renowned international speakers is one of the effective tools adopted by **MSTC**.

ON SITE TRAINING:

- ✓ Customize the training program to your workplace.
- ✓ Conduct the training program when & where you need it.
- ✓ Save more than 50% by conducting **MSTC** training workshop at your premises.
